Dear Ms. Storm:

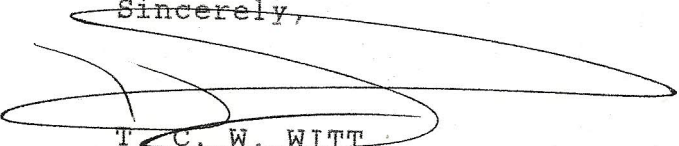

Petty Officer Adam G. E. Storm has been named a Distinguished Military Graduate upon completion of Fire Controlman Class "A" Course at Service School Command, Great Lakes, Illinois.

Your son has been selected for Distinguished Military Graduate due to his leadership abilities, outstanding military bearing and academic excellence. His dedication and devotion to the naval service are far above that of his fellow students. Students who achieve this status are awarded a special certificate in recognition of their academic and military excellence.

The military decorum and academic achievement that your son has demonstrated which earned him recognition as a Distinguished Military Graduate will be invaluable to him in the performance of his duties as a member of the United States Navy.

You have my highest esteem for the support and encouragement you have given your son.

Sincerely,

T. C. W. WITT

Captain, U.S. Navy  
Commanding Officer
